Looking for Athletic and Physical Education Products??

As a member of AEPA*, your state educational purchasing cooperative now has preferential pricing for Athletic, Recreation and Physical Education products through BSN Sports and US-Games.

BSN Sports is now an approved vendor for all AEPA state agencies listed. We have been servicing schools, universities and city municipalities for over 30 years and under this cooperative contract you have access to over 10,000 Athletic or PE products. BSN Sports is also a leading manufacturer of large field equipment such as benches, bleachers, soccer goals, weight equipment, outdoor basketball systems, baseball backstops, track and field vaulting pits, gymnasium wall padding, windscreen and netting, with most of these items ready to ship within 48 hours.

Under this contract pricing program you save time and money by purchasing products at prices competitively bid across 21 AEPA member states. In addition, all orders receive free shipping year round, regardless of size. You can order via mail, fax, phone or through the web site listed. Please include the contract number 29332 on your order to receive these benefits.

No other distributor of sports equipment can match our product selection, quality, price, service and customer service. Regardless of the size of your organization or the complexity of your needs, we can meet your requirements with service that is unmatched. We look forward to serving you!
